

Eni i-Base professional L 20W-50

APPLICATIONS

Eni i-Base professional L 20W-50 is an engine lubricant formulated with high quality base oils, developed to meet the requirements of older engines too.

It is suitable for gasoline and naturally aspirated diesel engines also operating under severe conditions.

CUSTOMER ADVANTAGES

- The good detergent and dispersant properties of **Eni i-Base professional L 20W-50** effectively minimize the formation of lacquer, varnish, sludge and other engine deposits.
- **Eni i-Base professional L 20W-50** is very resistant to thermo-oxidation resulting from prolonged exposure to high temperature in the presence of air and other agents.
- Its anti-wear properties ensure long service life of the moving parts, reducing the need for engine maintenance and overhaul.
